

Marriage License

Both people must be present to obtain the marriage license, with birth certificate and picture identification. If either person has been previously married, they must submit all divorce papers at the time of obtaining the license. Make sure it is your divorce decree and not the separation agreement.

The marriage ceremony may not take place within 24 hours from the time that the license is issued. The marriage license is only valid for 60 days, beginning the day after it is issued. If both applicants are 18 years of age or older, no consents are required. The certificate is only valid within New York State excluding New York City. For more information please contact the Town Clerk's Office at (607) 739-8681 Ext. 1.
